Annual General Meeting

The CPARV Annual General Meeting took place on October 27th. In addition to the presentation of the past season's reports and financial statements, elections were held for four board member positions. We would like to congratulate and thank Alain Bergevin, Jennifer Richer, Katharine Davies, and Dina Tsitouras for renewing their commitment for the next two years.

Here is your 2026–2027 Board of Directors:
Annie Lessard, President
Alain Bergevin, Vice-President
Sylvie St-Pierre, Board Member
Antonio Pereira, Board Member
Jennifer Richer, Board Member
Katharine Davies, Board Member
Jennifer Boleska, Board Member
Dina Tsitouras, Board Member
Christine Dumais, General Manager

We would like to thank these dedicated parent volunteers for their ongoing involvement.

Volunteers Needed

We will once again need the help of club parents this season. The **"Invitation Vaudreuil" competition** requires nearly 100 volunteers to ensure an exceptional experience for the skaters over the **four-day event**, running from **March 4 to March 8, 2027**.

Furthermore, to put on a **high-quality show**, we will need dozens of volunteers during the week leading up to the event—to assist with costume fittings—as well as throughout the entire weekend to support the various groups during the dress rehearsal and the three scheduled performances on **April 23, 24, and 25, 2027.**

Additionally, if any parents would like to help with the **creation of sets and scenery**, we would be very grateful. Please simply send an email to **info@cparv.org.**

We will distribute forms to be filled out for both the competition and the show in due course.
Thank you for your cooperation!

Sponsors wanted

We are always looking for sponsors to support the competition, the show, the awards, and much more! Interested in helping us become a partner? Send us an email at **president@cparv.org**

CanSkate

Learn to skate while having fun!

Skate Canada's CanSkate program is a national learn-to-skate initiative designed for children and beginners of all ages. Offered in a dynamic, fun, and safe environment, it allows participants to acquire fundamental skating skills at their own pace.

Guided by certified coaches and supported by program assistants, skaters progress through six learning stages, focusing on three essential skills: Balance, Control, and Agility.

A rewarding and motivating journey

Throughout the program, skaters are encouraged and rewarded for their progress through a system of ribbons and badges. Ribbons mark the acquisition of fundamental skills, while badges recognize the successful completion of each of the six stages.
Beyond technical learning, CanSkate fosters self-confidence, perseverance, the joy of staying active, and the development of new friendships.

CanSkate serves as an excellent gateway to figure skating, hockey, speed skating, or simply the joy of skating with family! Here are the learning stages. Once a skater earns all 3 ribbons for a given stage, they receive a badge to mark their achievement.

Our New Partners

CPARV is proud to announce the participation of **Harden** as Distinction Partner for the 2026-2027 season.
This association demonstrates **Harden**'s desire to support local initiatives and investing in the future of our skaters.

A **special thank you** to **Chris Harden and Mylène Urbano** for their support.

Founded in 1985, Harden is a family-owned real estate business now run by the second generation. Active in development, construction, rental and real estate management in Quebec and Ontario, it creates dynamic living environments by placing people and communities at the heart of its activities.

Convinced that her role goes well beyond real estate, Harden is actively involved in causes and initiatives that have a real impact. Through small and large gestures, she is committed to contributing in a positive and lasting way to the well-being of the communities around her.

Thanks also to **Gestion NKT**, and more specifically to **Nick Tsitouras** for his involvement as a Production Partner for the upcoming 2027 Ice Show.
